MAIN STREET REAL DISGRACE TO TOWN

The condition of Main street today is a disgrace to any town. Mud is what might be termed knee-deep, water is overflowing the gutters as a result of the melting snow, yet the town authorities have not seen fit to provide the comfort of the pedestrians. It is a shame that such a condition of affairs should be permitted to exist in a town the size of Tonopah. Were the officers alert to their duties they would see that planks were placed in proper places that women and children might cross the street with some degree of safety, and with a feeling that they were not ruining their clothes.

Miss Sophie Barndt Will Dance at Butler

Mr. and Mrs. Victor Barndt, together with their three talented daughters, will arrive in Tonopah on Tuesday morning, en route to their home at Hot Creek. During their very brief stopover in Tonopah, Miss Sophie Barndt, at the earnest solicitation of her many friends, has consented to dance at the Butler theater on Tuesday night. Miss Sophie has studied for several years under some of the most noted teachers of dancing in the Bay Cities, and it will be a great delight to her many friends to have the opportunity to see her. Miss Barndt will appear at both night shows.

SHERMAN HOME HAPPY OVER BABY DAUGHTER

George Sherman, popular telegrapher in the local offices of the Western Union, was greatly frustrated today, and it was all because he is the father of a charming 8-pound girl. The little miss made her appearance yesterday morning, and you can depend upon it that she received a welcome that bordered on the extreme.

The home of Mr. and Mrs. Peter Miller was brightened today by the advent of a 7-pound boy. The father, who is a timekeeper for the Tonopah Mining company, was all smiles and was passing around the cigars.

AMUSEMENTS

MABEL NORMAND IN "MOLLY O" TODAY

Comedy is so abundant in "Molly O," which will be shown at the Butler today, that the fact should not be lost sight of that primarily the attraction is one of a very dramatic and thrilling story. It is the story of a gritty girl's fight for a place in the world and a happiness that she could never attain if she permitted environment to overcome her.

Mack Sennett's name has become almost synonymous with hilarious comedy, so that the dramatic quality of the production comes as a revelation to those who do not recall that he was the producer of "Mickey," the picture which several years ago, with Mabel Normand as the star, established a precedent for success which has never since been equalled.

"Molly O," the heroine, is too jolly a character to be able to keep genuine fun out of her life in spite of her extremely pathetic position. Nevertheless the story of her courtship and marriage, the failure of the union and then reconciliation, is as dramatic and thrilling a story as has ever been placed on the screen. It will be shown one day only—one matinee and two night shows.

Tomorrow, Constance Talmadge, in another one of her famous comedy dramas, "Wedding Bells."

EVEN INDIANS LIKE HOLD PUBLIC OFFICE

Even Indians like political jobs and dislike to relinquish their official duties, once they get a taste of an easy living. This is best evidenced from a public notice published by Andy Johnson, of Austin, who was appointed captain of the Shoshone tribe on February 2, and although notified that his services are no longer required Andy refuses to quit until the tribe take a vote regarding the matter. The letter follows:

"Austin, Nevada, Mar. 8, 1922.
"To the Shoshone Indians,
"Austin District.
"On February 2, 1922, Chief Joe Gilbert appointed me as captain of said Shoshone tribe of Indians, and in his appointment he did not specify any time said appointment should take effect. He has now relieved me of my office, which I refuse to consider until such time as the tribe votes on the same.—Andy Johnson (X. His mark.)"

SPECIAL OFFERING OF TILLMAN COFFEE

L. S. Robinson, representing Tillman & Bendel, well known wholesale grocers of San Francisco, but who maintains his headquarters in Reno, is a visitor to Tonopah. Mr. Robinson is featuring the Tillman brand of coffee, and other goods, which have a reputation for superiority that extends up and down the coast and throughout the west. The display of the Tillman brand of coffee will be exhibited at the Mine Workers Mercantile company and at H. Chiatovich grocery tomorrow, and as an inducement to have the coffee given a fair trial a special offering of a pound of coffee and a percolator at the low price of \$1.85 for the two, is being made. It would be well to inspect the window display in both business houses above mentioned. Read display advertisement in this issue of the Bonanza.

Sick Man Brought From Spanish Belt

Constant Emir, better known as Pedro, who is employed at the Spanish Belt mine, is confined to the Mine Operators' hospital suffering from a severe cold. He was brought to Tonopah last Friday night following a call by phone made to Mike Lamb, who hurried to the forest ranger's cabin, three miles distant from the mine. After making the three miles in foot, Mr. Lamb and "Skeets" Bottomly reached the mine, Emir insisted on walking back to the conveyance. Emir is getting along very nicely at the hospital and unless some unforeseen development occurs he will make a quick recovery.
